

Passion

What is Passion?

Passion grows and develops from your
personal beliefs and experiences...

and is enhanced by your skills and sustained
by the value that you are able to provide to the
world.

How to Find Your Passion?

- ✓ Think about what motivates your decisions.
 - ✓ Figure out your values.
- ✓ Ask yourself some self-reflective questions.
- ✓ Look for patterns and themes in your answers.
 - ✓ Think about what you love to do.
 - ✓ Decide what matters most to you.
 - ✓ Be patient with yourself.
 - ✓ Combine your talents.
- ✓ Do the thing you've always dreamed about.

Benefits of Passion!

- ✓ A simplified life and personal freedom.
- ✓ Greater self-awareness and self-confidence.
 - ✓ Expansion of our comfort zones.
 - ✓ Empowerment.
 - ✓ Increased satisfaction overall
- ✓ Cohesiveness and harmony in work and life.
